Reviews from sinequan users

Bijwerkingen van sinequan

Along with a vlcd, sinequan appears to be very effective. it was manageable, but such a restrictive diet that typically goes along with using sinequan as a diet supplement is hard. its definitely not a diet for the

weak! that being said, it seemed effective. i lost minimal muscle, even though i lost a significant amount of fat/water. by frankie from perkins, mi

Buy sinequan north carolina , viagra prices , lincoln ,

At first, i really liked sinequan. its super easy to use and its nice to be able to forget about it for 3 weeks. i could feel it every now and then but it wasnt uncomfortable, just there. after one month, i ended up with the worst acne on my back and chest that i have ever had in my life. the acne was so bad, i almost thought it was a reaction. i took sinequan out and within a week, my skin was clear again. i didnt have any other side effects besides the acne, but acne isnt something i can deal with. im switching back to pills. by domenic from la grange, nc

This medicine works wonders for daily anxiety and is better than using xanax all day because it lasts much longer. i take xanax when there is extra anxiety and the two work together perfectly. by valentine from west brooklyn, il
