I experienced severe leg cramps almost immediately upon taking this medication and whatever else it may have been doing for me. i could not tolerate the cramps which even interfered with my ability to sleep, walk, drive or climb stairs.

Provera prescription drug

I have been addicted to hydrocodone for 10 years; and recently my propensity to take a handful at a time almost killed me leading to my colon being. removed due to ischemic colitis, coma, and 8 weeks in hospital. i just went on provera and am amazed at how well i am feeling. my body cannot take either the acetaminophen or the withdrawals so provera was my only hope. i recently had a withdrawal event that landed me back in hospital for 10 days due to dehydration and malnourishment. my nurse told me about provera and as soon as i was discharged i went for it. i am so glad i did. i never thought that hydrocodone could cause an illness like mine but it did. i can have life now due to provera. by porter from lake hiawatha, nj
