NO PRESCRIPTION REQUIRED

The advertisement features a central image of a male doctor in a white coat with a stethoscope. The background is a light blue with a subtle grid and a heart rate line graphic. Text elements are arranged around the doctor, with a green box on the left containing a 70% discount claim, a blue box at the top right for brand and generic meds, and a red circular badge for free pills. A dark blue banner at the bottom emphasizes that no prescription is required.
