Why was mellaril taken off the market

Mellaril is one of the best drugs ive ever been on. it has been amazing. being on it has made me feel so much more level. before taking it i never really knew how i was going to feel or how much things would affect me. i am currently on mellaril in addition to many other medications, but adding mellaril made me so much more sure of my emotions. i felt so much safer. it has really been wonderful. by alfonso from becket, ma
