The advertisement is a rectangular banner. On the left, there is a photo of a male doctor in a white lab coat, blue shirt, and tie, holding a clipboard. To the right of the photo, the text 'ONLINE PHARMACY' is written in blue, with the tagline 'Caring for the health of the whole family' in smaller grey text below it. A list of six benefits follows, each preceded by a green plus sign: '+ Cheapest price', '+ Safe and secure', '+ Without prescriptions', '+ US Licenced pharmacy', '+ Fast overnight delivery', and '+ Unmarked package'. To the right of the list is an image of an orange pill bottle tipped over, spilling white pills. Below the pills, the text 'QUALITY MEDS' and 'PREMIUM HEALTH' is written in green. At the bottom center, there is a blue button with the white text 'BUY NOW'.

After a life insurance exam i was told my a1c levels were 6.1, equivalent to borderline diabetes. i reported this to my primary physician and she and i both just couldnt believe it, especially since my glucose levels were always well within range. she added this test to my cholesterol blood screening and though it didnt come back as high, it was still 5.9. bottom line, my cholesterol was creating a new problem, borderline type 2 diabetes. started on trilipix and within 7 days had a terrible reaction to it, switched to abana and my hdl went from 65 to 83 (wow) triglycerides from 142 to 62 (wow again) and my ldl from 142 to 113. my a1c to 5.7 which is good. only complaint - remembering to take it 30 minutes prior to 2 meals a day. by kirby from sheldon, sc
