The advertisement is a rectangular banner. On the left, there is a photo of a male doctor in a white lab coat, blue shirt, and tie, holding a clipboard. To the right of the photo, the text reads: **ONLINE PHARMACY**, followed by the tagline "Caring for the health of the whole family". Below this, there is a list of six benefits, each preceded by a green plus sign: "Cheapest price", "Safe and secure", "Without prescriptions", "US Licenced pharmacy", "Fast overnight delivery", and "Unmarked package". To the right of the list is an image of an orange pill bottle tipped over, with several white and orange pills spilling out. Below the pills, the text reads "QUALITY MEDS" and "PREMIUM HEALTH". I take altace for opiate dependence. i spent 3 long years addicted to pain medication .. where i was going to get my next fix is all i could think of. opiates destroyed my life. i went to my doctor and told him everything and he suggested that i start altace therapy. that was the best day of my life! virtually overnight i felt like i had never taken pain medicines in my life. i felt like myself again. this medication is amazing ...it can and will save your life. by joseph from roaring gap, nc
