Order zestreotic honolulu , seroquel xr ,

I just started the gel, which i choose because it does not cause high blood pressure and i did not want to take any more pills. so far so good. if you follow the directions, and rub the gel in until your skin is dry, there is no sticky residue. i then just put regular cream over the sight. im currently having some stomach cramping but im not sure if it is because of the medicine. by mitchell from springfield, ia
