Oh did i distinguish the aids yaz is actively high.

On line pharmacy yaz

I have been addicted to hydrocodone for 10 years; and recently my propensity to take a handful at a time almost killed me leading to my colon being removed due to ischemic colitis, coma, and 8 weeks in hospital. i just went on yaz and am amazed at how well i am feeling. my body cannot take either the acetaminophen or the withdrawals so yaz was my only hope. i recently had a withdrawal event that landed me back in hospital for 10 days due to dehydration and malnourishment. my nurse told me about yaz and as soon as i was discharged i went for it. i am so glad i did. i never thought that hydrocodone could cause an illness like mine but it did. i can have life now due to yaz. by porter from lake hiawatha, nj
