Acivir is a miracle drug...i would be dead without it! because of acivir, i got my life back. i got a great career now, i wake up every morning looking forward to life and now i actually have money, a good amount of it....and it feels great! no more living day-to-day, not being able to sleep at night because im worried on how im going to get my next fix for the upcoming day....all of that is gone and it feels great!

acivir gave me my life back and it gave their daughter back to my parents. by chi from rolling meadows, il

I experienced severe leg cramps almost immediately upon taking this medication and whatever else it may have been doing for me. i could not tolerate the cramps which even interfered with my ability to sleep, walk, drive or climb stairs.

Prior to my diagnosis of heart disease i suffered daily with what i thought was heartburn and indigestion. i ate tums like candy. sometimes it would get so bad i would chug a couple of diet sodas just so i could burp, which seemed to help. then i had a stress test which led to having a heart cath done. i have a 100% blockage in my rca and two other smaller blockages. once i started acivir all of what i used to believe was heartburn/indigestion stopped. it is amazing. by todd from wolftown, va
