This medicine helped me control my eating and to lose weight and bring my sugar down without dropping it to low. i was on another medication and it would drop my sugar too low and i was always having to take the sugar tablets to bring it back up. at first it upset my stomach but after a few weeks that was gone. it has worked very well for my husband also and has kept both of our sugars at a normal rate.

I had a free sample from my doctor. i was so happy when i first got it. i thought i couldnt feel it, my vagina was swelling inside after 2 days. i am a clean person, i did not even haveBAD WORD right after i got it. my boyfriend said he felt the ring was uncomfortable while we haveBAD WORD. i could barely enjoyBAD WORD because it burned. i have problem peeing since it burns and i could feel the ring was so irritating inside me. my mood was swinging and i had so much attitude ever since i had the ring. it was worse than having pms. i lost interest inBAD WORD. other than being happy for not having to deal with birth control every day, i would not recommend it if you are sensitive like me. by alejandro from patterson, mo
