What is the success rate of zyban

I am 18 and i have been using the shot for 8 months. if you do not want to get pregnant, this is the shot for you! i had a period with the first injection but ever since then i havent and i love that. it is great because it isnt that painful when receiving the shot, and it is awesome not worrying about it for 3 months. the problems i have with the depo shot is weight gain. i am 510 and was 126 pounds, so i thought i wouldnt ...
