I work retail at a large home improvement company. most of the day it works fine, but a lot of times i have to do heavy lifting. it does not help with that. i have had to on numerous occasions stop and take a break just to get through the day.

Altace will only relieve your symptoms for a short time and it relaxes smooth muscle. you have to take avodart if you want to shrink the prostate and never have symptoms again. it takes time to work so take both medicines.. its worth it. it helped me.
