Zmax is one of the best drugs ive ever been on. it has been amazing. being on it has made me feel so much more level. before taking it i never really knew how i was going to feel or how much things would

affect me. i am currently on zmax in addition to many other medications, but adding zmax made me so much more sure of my emotions. i felt so much safer. it has really been wonderful. by alfonso from becket, ma
