My 10 year old son took xyzal for asthma. in the 8 weeks that he took it he dropped from 62lbs to 56lbs. he was tired all of the time to the point that he had to lay down often. he is usually active all of the time.

I have been on somas for over 10 years. i was introduced to this product on friday. it really works. it totally relieves the spasms in my legs, arms and back area. i have fibromyglia. when i have a flare up it is impossible to move around. i am hoping that this medication will allow me to do that. by efrain from hadlyme, ct
