I am on a five day dose of naprelan and it's working, but i think that i may need to take it a little longer. i had a really bad case of sinusitis and i can say it was worth it.

Overnight delivery of naprelan in us no prescription needed.

I am 19 years old. i have been on the depo since i was 16. i got on it after my 6 week check up. when i first started on the depo shot i was a very mean person. i have never in my life been like that. i am a very nice laid back person. i gained 40lbs withing the first 3 months. i am not a big eater and i do eat healthy

for the most part. i also had pregnancy like symptoms, headaches and bloating. after a year of being on the depo my mood had changed and i became back to myself and my body got used to it. i really really love the depo shot but i am thinking of switching to another ...
