When will prandin go generic

By stefan from rhodesdale, md

Ive been taking lopid for almost a year now and have had great results. my triglycerides have dropped dramatically and my over all health has improved. i would have given this a 10 rating but i do have one problem with this medication. it can be difficult to remember to take lopid 30 minutes before meals. a small adjustment as far as im concerned, though. by cristobal from banner, ms
