Soma worked great then that doctor would not take my insurance. so got another doctor and he would only give me flexeril or baclofen and both absolutely do nothing. i have a herniated disc and get muscle spasms in low back and buttocks they are hard as rock. this medicine with vicodin does help but it does make you very sleepy and dizzy so be careful driving. by jefferson from rosebud, mo

Xtane c.o.d.

Xtane in usa

I tried xtane with the starter pack. i experienced terrible nausea, insomnia, hot flashes, racing heart and fever. my doctor reduced the dosage back to 12.5 mg but with very little improvement of side effects. she finally told me to stop taking it. i have had great results with my other medications and i wasn't having any issues but my doctor wanted me to try this new "great" medication. i haven't felt this bad in years. if i ...
