The advertisement is a rectangular banner. On the left, there is a photo of a male doctor in a white lab coat, blue shirt, and tie, holding a clipboard. To the right of the photo, the text reads: **ONLINE PHARMACY** with the tagline "Caring for the health of the whole family" below it. A list of six benefits follows, each preceded by a green plus sign: "Cheapest price", "Safe and secure", "Without prescriptions", "US Licenced pharmacy", "Fast overnight delivery", and "Unmarked package". To the right of the list is an image of an orange pill bottle tipped over, with white pills spilling out. Below the pills, the text "QUALITY MEDS" and "PREMIUM HEALTH" is displayed. Sinemet is one of the best drugs ive ever been on. it has been amazing. being on it has made me feel so much more level. before taking it i never really knew how i was going to feel or how much things would affect me. i am currently on sinemet in addition to many other medications, but adding sinemet made me so much more sure of my emotions. i felt so much safer. it has really been wonderful. by alfonso from becket, ma
