Ive been taking urivoid now for about 4 years, i havent had any side effects that i can tell but after reading others experience of memory loss, that could be one that i do have. i take the maximum dose

that is prescribed now and i cant say enough about this medication. i was so totally lost, severe depression, suicidal, lowest of lows, it was so bad, i couldnt get my ducks in a row (my mothers comments to me, daily). now, im feeling in control of my life, im back with my spouse and caring for my mother, whos ducks have scattered about, and im living happily. by quinton from ringling, mt

, where can i buy urivoid

I have read many bad reviews on this treatment, so let me tell you my positive one. i am early 60s, very active, slightly built and failed my bone density scan. did my research (very important) and found a fabulous young female rheumatologist. after viewing all of my prior dexa scans we tried one fosamax (i had been on evista for four years prior due to healed multiple ulcers). the fosamax reaction was very bad but the gastric distress eased up finally. we decided on the urivoid infusion. the injection was pleasant, the people great. i went to work. had a headache for three days, took medicines for the headache but carried on my regular business. this was one week ago. i feel great.
