Prior to my diagnosis of heart disease i suffered daily with what i thought was heartburn and indigestion. i ate tums like candy. sometimes it would get so bad i would chug a couple of diet sodas just so i could burp, which seemed to help. then i had a stress test which led to having a heart cath done. i have a 100% blockage in my rca and two other smaller blockages. once i started latisse all of what i used to

believe was heartburn/indigestion stopped. it is amazing. by glenn from elba, ne

I've been taking latisse now for about 4 years, i haven't had any side effects that i can tell but after reading others experience of memory loss, that could be one that i do have. i take the maximum dose that is prescribed now and i can't say enough about this medication. i was so totally lost, severe depression, suicidal, lowest of lows, it was so bad, i couldn't get my ducks in a row (my mothers

comments to me, daily). now, im feeling in control of my life, im back with my spouse and caring for my mother, whos ducks have scattered about, and ...
