Doctor had me try this instead of just increasing the dosage of asmanex i was taking. digitek is a combination of asmanex with something else, and that added component did not do well with me.

Neck, back and joint pain. digitek is amazing. 1 tablet per day sometimes two knocks the edge off the pain so that i can function. by devon from darlington, md

Digitek no prior script.

Buy digitek 2013

Ive been on the digitek for a little over a year and at first i loved it, it was my first birth control and i did not think i would remember to take a pill everyday so this seemed perfect and it was. it is very effective for not getting pregnant, i have been having unprotectedBAD WORD with my boyfriend since and not once had an issue. the only thing is that it did not help with my cramps and back pain, as the months go on, the pain gets worse and worse. i also have times of severe mood swings and depression. im switching to seasonale this month to see if it works any better. by todd from whitesboro, tx
