I take glyburide for opiate dependence. i spent 3 long years addicted to pain medication .. where i was going to get my next fix is all i could think of. opiates destroyed my life. i went to my doctor and told him everything and he suggested that i start glyburide therapy. that was the best day of my life! virtually overnight i felt like i had never taken pain medicines in my life. i felt like myself again. this medication is amazing ...it can and will save your life. by joseph from roaring gap, nc
