Great medicine. i was taking 2 or 3 nitros daily. took first temovate and pain just started going away. now i take 1 or 2 nitros a week. i have 4 blockages at 100 % and 1 at 60% and i hardly have any angina. i learned my limits on what i can do. but i still can drive and work a little in our yard. temovate is a miracle. by yong from havensville, ks
